Respected Editors,

Please find enclosed a statement titled FNR Implores, issued by the Forum for Naga Reconciliation. We would appreciate very much if this statement can be carried as a news item on the front page of the next edition of your newspaper.

Thanking you

Forum for Naga Reconciliation

FNR Implores

When the Naga people and the Christian community around the world has set aside September 12, 2010, as a Special Day of Prayer for the consummation of Naga Reconciliation; and the recently concluded Baptist World Alliance Congress, Hawaii, acknowledging and welcoming the efforts of the Naga people towards "full reconciliation" affirmed and accepted by 87 nations; Naga people cannot remain callous and complacent.

We are saddened and pained to see our own people carrying on a diatribe in local dailies with the idolatry of words. The Forum for Naga Reconciliation as per the wishes of the people and as our own conscience

compel, implore the NSCN/GPRN and the GPRN/NSCN to terminate the idolatry of words against one another with immediate effect! We also call upon all to reflect on the "Covenant of Reconciliation" and the subsequent commitments to "refrain from publication of any offensive articles in local dailies."

Let us allow the Spirit of reconciliation to continue to prevail amongst us, this is our only option.

Forum for Naga Reconciliation

# NAGA RECONCILIATION: A Journey of Common Hope

**F**rom dependency, the Journey of Common Hope, is emerging with concrete hope towards the future. On September 18, 2010 the top leaders of NNC/FCN, GPRN/NSCN and NSCN/GPRN met together for the first time to further strengthen the Naga Reconciliation: A Journey of Common Hope. Responding to the deep yearning of the Naga people and in affirmation to the call made by the Forum for Naga Reconciliation to convene the highest level reconciliation meeting, Brig (Retd) S. Singnyia, Kedaghe of NNC/FCN, N' Kiyi Zhihmomi, Ato Kilonser of GPRN/NSCN and Th. Muivah, Ato Kilonser of NSCN/GPRN met in Dimapur to show their commitment and sincerity to the Naga Reconciliation.

In a solemn and dignified meeting, the leaders patiently listened to each other and declared that they have reconciled on the basis of the historical and political rights of the Nagas and have committed to working out their differences as outlined in the Covenant of Reconciliation.

Here are some images taken on September 18, 2010.

Hi! Lady Collins,

Just to say "Hello" once again and to say that Chairman Isak has also just landed in India and hopefully will be coming soon to Nagaland to take the Reconciliation Process forward as initiated by the Forum for Naga Reconciliation. We(FNR) are indeed facing an uphill task in the Reconciliation Journey, but with the guidance of God Our Almighty, we hope it will enter some decisive moments.

Please continue to pray for us as we also do for you.

Warm regards,

Neingulo Krome

## **Press Release**

### **Civic Reception in Honour of Isak Chishi Swu, Chairman, National Socialist Council of Nagalim (NSCN)**

We warmly welcome our Naga leader, Isak Chishi Swu, Chairman, NSCN who has arrived at Delhi. The joy of receiving him again has renewed our hope too. We trust that the objective of his journey will be fulfilled.

The NSCN and the Government of India (GoI) has covered 70 rounds of talk and we believe that each meeting has brought them closer.

We congratulate both the parties for surviving the longest ceasefire ever, which has brought out three important things;

1. That, the Indo-Naga conflict is political in nature political steps is required to solve the same
2. That, a ceasefire is necessary to create conducive atmosphere for a political dialogue
3. That, dialogue is the only way to end violence and bloodshed and pave way to peace.

We urge that through this long ceasefire an honourable solution is brought at the earliest. We once again extend our support to both the parties for a healthy dialogue and hope that this peace talk, not only forge new relationship between the two Nations but also show the way to end conflicts around the world especially in South Asia.

We look forward to celebrate the freedom and agreement of the two nations at the soonest!

Dimapur, Feb 1 : NSCN (IM) chairman Isak Chishi Swu on Monday said political negotiations were always aimed at arriving at an "honourable" agreement.
